

Bourne Conservation Trust

NEWSLETTER Number 28

Summer 1998

250 DONORS MAKE CONNECTION

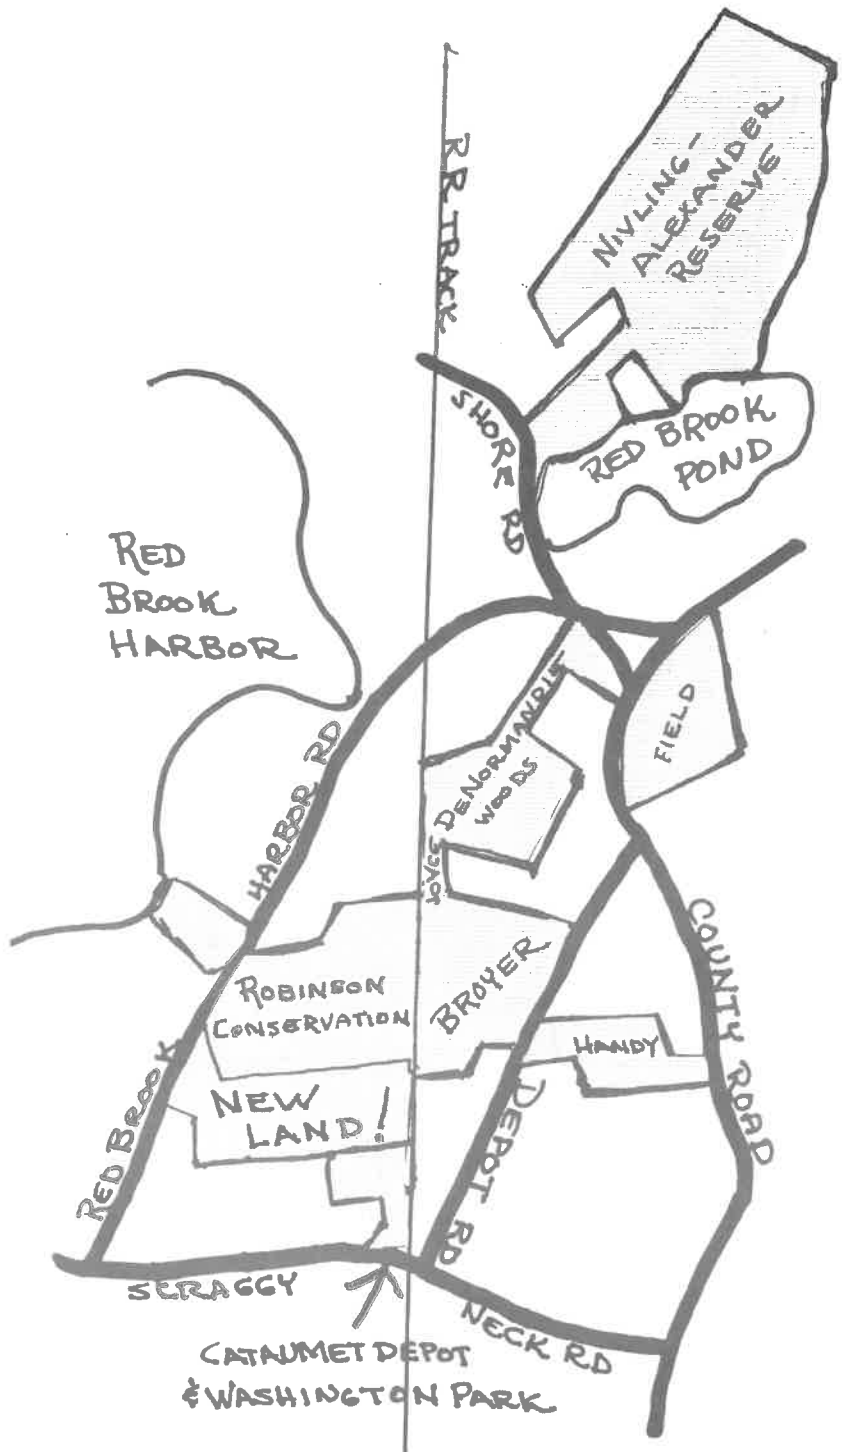

*"In the early 1950s I planted about 12,000 trees— spruce,
white pine and fir— on the property."*

Thomas W. Kingman

On June 19 the BCT took possession of the eleven rolling wooded acres that Tom Kingman had (pardon the pun) spruced up. The purchase (see map) links Washington Park and the Cataumet Depot to the Robinson, Handy, Broyer and DeNormandie Woods conservation areas and also to the Joyce Path. Work on projected connecting trails will begin shortly.

Some 250 donors-- new, former and regular-- dug deep into their pockets and came up with gifts ranging from five to a hundred thousand dollars for a total of \$238,000 which, as promised, was matched by an anonymous benefactor. To cover the remaining balance-- \$212,000-- the BCT secured a loan which will be repaid over the next several years, so there is still time to contribute to this latest project.

N.B. Both the number of donors and their contributions-- whether S, M, L, XL, or XXL-- matter a great deal.

Kahlin's Korner

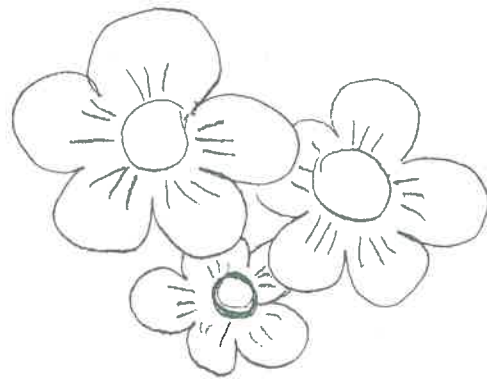

is dedicated to the memory of Kahlin Jespersen, a

child full of sunshine and a love of nature, and also to all children for whom we preserve a part of the natural world.

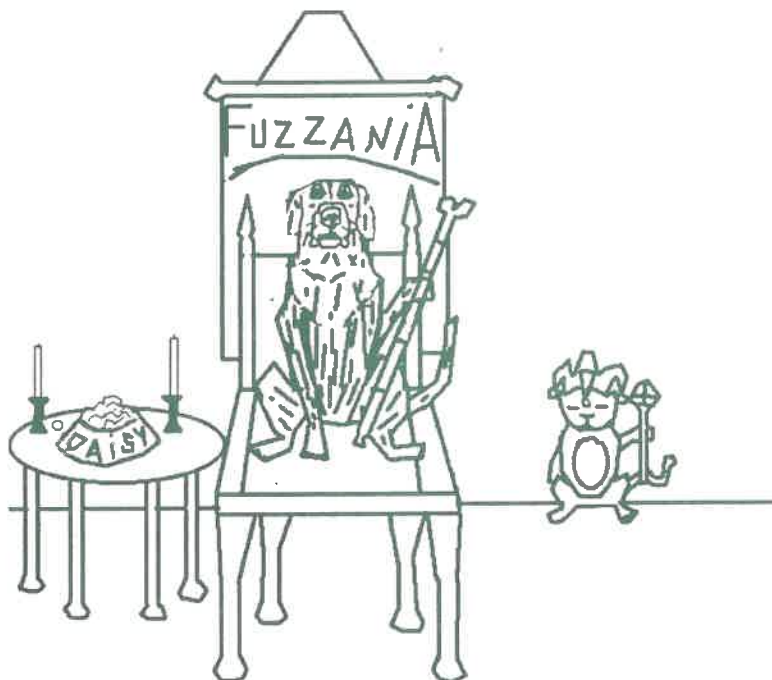

Spring

The days are getting longer
The end of school is near
Everything's a lot greener
The flowers will appear

Spring's a time of hope and cheer
Time of new beginnings
Calves are born with mothers near
All the birds are singing

To Kahlin
Love
Liah

"I did this picture of my dog Daisy. The picture represents her attitude, as herself being regal. That's why she is sitting on a throne and holding a scepter."

Kahlin's Korner is a regular feature of the Newsletter, featuring children's articles or drawings. Included will be activities that are fun and will also help children to understand their natural environment. We hope you will submit ideas for future issues. (BCT, Box 203, Cataumet, MA 02534)

Many folks have found the concept of a memorial donation to the BCT particularly befitting for those departed who had a close association with, and affection for, the area we are striving to protect.

Such a person wrote *"What a lovely thing to contribute to the BCT in memory of Mom. I miss her terribly but it warms my heart to know that somewhere on Cape Cod the ecology will be improved because of Mom's presence."*

This is a fine way to put money in service of memory.

Now, let us read letters. . .

Another local contributor thanks the BCT *"for all of your hard work in keeping Bourne green."*

(Your green-- also known as the "long green"-- as with all other donations, is a first necessary step for keeping our vistas verdant.)

A note from *"some of your mountain bike enthusiasts"* wishes us *"good luck with the purchase!"* (It may surprise some to know that there are some fine mountain bike trails in Bourne; and yes, with rocks and rills!)

A contributor from near Lawrence Island notes that the red-tailed hawk (commonly referred to as the *buteo jamaicensis*) is back on Scraggy Neck and that he *"loves my hens but hasn't touched any of the nine roosters. Any takers?"* NOTE: it's an easy step from rooster to roaster.

One of our more spaced-out members suggests that we move into cyberspace and *"create our own BCT web page, complete with the BCT tree symbol and pictures of our acquisitions (pond with swans, etc.) accompanied by an appropriate musical background."* He suggested that our entrance onto the internet would enable us to entice (web-like?) a wider audience and new funding sources.

Interesting suggestion and to it we offer an emoticon :) signifying our smiling approval. While we would strive for an enticing web address, we could never hope to exceed WWW.JHOFFA@LANDFILL.R.I.P for sheer intrigue.

Any good web designers out there?

Working Together

FOR A BETTER CAPE COD

A group of Cape Cod banks, represented by their respective presidents, have initiated awards for those groups whose effort best typifies "working together for a better Cape Cod." One category, "For a valuable contribution to public or quasi-public ownership of land," was awarded to . . . (roll of drums) . . . the BCT.

The award carried a grant of \$500.

The accompanying citation reads, in part, the trust has raised more than \$3 million to preserve 150 acres of open space and three miles of walking trails, in Cataumet, Pocasset, Gray Gables, and Sagamore. Next month the trust expects to acquire an additional 11 acres near Red Brook Harbor in Cataumet-- the final piece of a master plan to connect several open space parcels to the village center.

These awards are a tribute not only to those who receive them but also to those organizations whose community involvement generates such recognition.
